Dear Parents/Carers,

It has come to my attention that parents and carers are using the door steps, bollards and walls of flower beds in Barn St and the private houses adjacent to school, to sit on whilst waiting for the school gates to open before and after school.

As you can imagine as a resident living in these properties, it is not very nice to hear and see people directly outside of your home, using the space to sit and rest. We have also noted people leaving rubbish (including cigarette ends) in these areas. I know that on reflection you would understand this and however unintentional would not want to cause bad feeling.

We know our school building is in a built up area and in close proximity to housing, businesses and roads and we are fully aware of the challenges that this poses. However, we would ask that you help us in ensuring we maintain good relationships with local residents and local businesses by respecting the property of others and the impact of noise etc. on their daily lives.

We greatly appreciate your help in this matter.

Yours sincerely,

Mrs O'Brien
