## **MATHS WORKSHOPS**

September 2018

Dear Parents/Carers,

We will be running Maths workshops for parents over the next few weeks. The aim of the workshop is to share information about how the different areas of maths are taught here at St Mary's and to support you when working with your children at home. We have ran the same workshop over the last two academic years and we have received positive feedback from parents who felt they gained a better understanding of how their child was being taught and what they could do to support at home.

The KS1 and KS2 workshop will be on:

- 1) Friday 21st September at 9am
- 2) Friday 21st September at 2.45pm

The EYFS Maths workshop will be on:

- 1) Thursday 4<sup>th</sup> October at 9am
- 2) Thursday 4<sup>th</sup> October at 2.45pm

We hope to see you there.

Bryn Tittle

Maths Leader
