How can you help at home?

Reading – Please ensure your child reads on a daily basis for 10 – 20 minutes and that you sign your child's reading log every day to say that they have done this. Please can you discuss the plot and characters as well as the meaning of new words children encounter? This will help to develop comprehension skills. Please remember to reread the whole sentence once a tricky word has been solved. This helps to develop fluency.

Times tables – Please ensure your child practises their times tables on a daily basis as part of their homework routine. (2, 5 and 10 times table)
