the best we can be.'*

January 2019

Dear Parents and Carers,

I hope that you had a relaxing Christmas break. We are looking forward to seeing the progress the children will make over this Spring Term. The topic for this term is;

Transport

During this topic, the children will have the chance to learn about various types of transport, including air, land and water transport. They will discuss their different transport experiences, make their own train tickets, make their own model with junk modelling and engage in role play in our very own building site.

Here are some of the areas that will be covered this half term:

Literacy	The children will move on to the phase 2 sounds in phonics, they will learn to recognise initial sound in words and names and attempt to write them.
Maths	Count number up to 10 and beyond, recognise numerals and represent numbers using fingers and objects. Also, we will be learning to use positional language and show awareness of shapes in the environment.
RE	Who cares for this special world and why?

Reading

Books will be changed **every Friday** so please ensure that your child comes to school with their 'red bags' and with the previous book.

School Shoes

All children must wear black school shoes (not black trainers) when coming to school.

Target Tracker Link

Do you know of the *Target Tracker Link* in early years. By now, you should have all received a link via email regarding accessing your child's learning online.

Please see us if you haven't provided your information or if you're having trouble accessing the link.

We look forward to a successful term. Thank you for all your support.

Yours Sincerely,

The Nursery Team.
