PUPIL POST

WRITTEN BY THE PUPILS FOR THE SCHOOL COMMUNITY

This week we will be talking about our local environment & how we can help to make it a better place. As a school we take pride in the plants that are in our playground and bike areas by watering when needed, plants are living organisms just like us , so they need all the care they can get. Even though plants can't talk or express themselves, they are vital as they help to get rid of bad carbon dioxide and replace with the oxygen we need to breathe.

If you did not read about it last week, we have recently got involved in something called The Bivvi Bag project, which helps the homeless by collecting empty crisp packs and turning them into sleeping bags. For more info on this please check out last week's newsletter. If you have any empty crisp packs we would love donations. The collection area is outside Ms Kennedy's office.

The best and most beautiful things in the world cannot be seen or even touched, they must be felt in the heart.

Helen Keller.

This quote has a very special meaning to so many as Helen Keller was blind and deaf and to know that she achieved so much yet had so little, can really make people understand how much you can achieve if you try.

Isabel & Zara

The Bivvi Bag Project

The Bivvi Bag Project is a great way of helping those that are in need, as well as recycling old crisp packets.

The crisp packets are cleaned and ironed together to make an insulated inner blanket for the homeless and rough sleepers.

It takes approximately 150 crisps packets to make 1 blanket.

PLEASE SHOW YOUR SUPPORT BY SPREADING THE WORD AND DEPOSITING YOUR USED CRISP PACKET

IN THE BOX LOCATED BY THE SCHOOL OFFICE.

Please note that school continues to promote healthy eating so please identify your healthy snacks that are bagged similar to crisps e.g. rice cakes or popcorn.

Social media age restrictions

It's becoming increasingly common for school to receive complaints from parents about children in the school using social media inappropriately. Please can parents note that children at St Mary's should not be accessing any social media sites (other than the 3 identified below). Please review what your child is accessing on their phones, computers and tablets.

Age Restrictions for Social Media Platforms

What is the minimum age for account holders on these social media sites and apps?
