

Worried, or stuck at home? You're not alone 😊

Local residents in the Cazenove Ward and the Boiler House Community Space are working together to offer support at this difficult time. We can:

- Help with shopping - basic food & supplies.
- Have a chat on the phone.
- Offer free food supplies or cooked meals to those in need. (subject to availability)
- Give out food bank vouchers.
- Offer basic advice and signposting to other organisations.
- Other things. Give us a call!
