

Spanish

KS2:

Hola

I hope you are enjoying the “Hispanic summer term”

This week, let's focus on **famous people**.

A part from a famous Spanish teacher, there are lots of famous people in Spanish speaking countries. We have amazing singers, dancers, writers, footballers, painters.....

I prepared a worksheet where you will have to match a picture of famous people with their name and later do a small research on those people.

Do you know any other famous person from Spanish speaking countries? You can do a research and later write sentences describing this person as per my example.
