<p style="text-align: center;">Spanish</p> 	<p>Year 2:</p> <p>Hola</p> <p>This week, let's focus on <u>landmarks</u>.</p> <p>There are lots of beautiful landmarks in Spanish speaker countries. I created a file with different landmarks and you will have to discover what are their names and in what country are they located.</p> <p>Once you knew about the landmarks, you will have to do a small research to learn who was Antoni Gaudí and what building did he build. You will also later research on buildings that Mayans and Incas created.</p> <p>As a final task, you can build or draw your own Mayan pyramid.</p> <p>Additional resources to review:</p> <p>They can still carry on reviewing what I suggested in last overview. https://rockalingua.com/songs</p> <p>This website carries on teaching online lesson every Tuesday, Wednesday and Friday at 5 pm.
