Here is an example of how you might start your Diary entry:

Dear Diary,

Yesterday I was at home reading my favourite fairy tale books as I usually do. I noticed that they all have a Mum, Dad, children and a dog. I felt really annoyed and confused, because I don't live with my Mum and Dad and I know some other kids who don't either. I said to my mum, "I don't live with my dad!" But she told me.....

Challenge: Use speech marks to show when someone is speaking.

New Life

Spring is a time of new life.

Lots of plants are growing and baby animals are being born in nature.

Easter is celebrated in springtime, too.

In the Easter story, there is also new life.

Jesus came back to life in the Easter story. It also reminds Christians that the Bible says if they believe in him, they can have new life as a Christian and in heaven.

Recycled Collage:

What old materials can you find in your life to create an art piece that shows new life? Below are some examples:
