Curriculum Information
 Autumn 1 - Year 1

Dear parents and carers,

I am looking forward to being your child's teacher in Year 1. I have put together information about what we will be learning over the first half of autumn term.

Things are a little bit different going back - we will be spending time to 'catch up' on what we missed during the lock down - before moving forward fully with the Year 1 Curriculum. Well-being is very important and there is a big whole school focus on this to make sure we are all happy and coping with being back at school.

Attendance and punctuality:

The school gates open at 8:50 a.m. Year 1 line up at the 'Pizza Gate' entrance.

If you have any urgent messages please let them know to pass on to me and I am more than happy to call parents if you need to speak to me directly.

If you are late in the morning and the gate has been locked you will need to drop the children off to the front entrance.

If you are unable to collect your child it is important now more than ever that you let the school office know as soon as you know you will be late so that we can coordinate
