

School Uniform Policy

Revised: June 2020

Review date: As appropriate

Covid 19 appendix

- All children are encouraged to wear school uniform. Where items are too small these should be replaced with sensible alternatives like plain tracksuit bottoms and t-shirts (eg school PE kit and school jumper)
- Children must wear comfortable shoes that they can fasten independently as we will use the outdoors as much as possible. If your child cannot tie their own laces / fasten buckles they must not wear these shoes.
- Clothes worn need to be washed daily as per government guidance
- No bags from home to be brought into school except for packed lunch.
- The wearing of jewellery is restricted to stud earrings or small sleepers only.
- Pupils may wear a watch.
- The school does not take responsibility for lost jewellery.
