'St Mary's...feeding the mind, body and spirit so we can be the best we can be.'

PE and sport premium funding 2020 - 2021

As a legacy of the 2012 Olympic games, the government provides additional PE & Sport funding to sustain and improve the provision for physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, following the guidance from the DFE (30.10.20).

This statement outlines how we have invested our funding and the impact of our previous years expenditure. At our school we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

In 2020 - 2021 we will invest this money in:

- Providing continuing professional development for our teaching staff by giving them the opportunity to work alongside a PE teacher, developing their skills and subject knowledge.
- The PE lead to oversee participation in borough competitions, the structure of school teams and the training programme for their development.
- To further develop our curriculum to include: 1. Extra-curricular opportunities and 2. The skills development linked to sports day competitions.
- Providing pupils with opportunities to take part in a wider variety of sports and outdoor activities which would not usually form part of a primary curriculum, inspiring interest and aptitude in a range of disciplines including the Virgin Mini Marathon and Bike around the borough.
- Providing after school sports activities.

Number of pupils and sports funding received	
Total number of pupils on roll eligible for PE and sports funding	176
Total amount received	£10,220

Use of funding	Funding allocated
CPD opportunities for staff team	£1,700
