

International Evening

Thursday 20th October 3.30pm – 5pm

A celebration of our similarities and differences and sharing of food from our countries of origin and cultures.

To make this event a success we ask that every family bring a dish from their home country that they can share with the school community on the international buffet table. We would also like to see you dressed up in your traditional dress or colours from your home country.

Please complete the slip on the back of this letter (or collect one from the office), to tell us what you will be bringing along and hand into Ms Kennedy.

On the day, please bring your dish to the main office by 2.30pm.

Refreshments will be provided by the school.

This is a great school community event. We look forward to seeing you there.

Harvest Festival

Collections for the Hackney Food Bank Start on Monday 10th October

As part of our Harvest Festival celebrations, we are asking for donations of food to give to the food bank based at St Mary's Church.

The food bank accepts **dried and tin foods**, such as tin vegetables, meats, rice and pasta. They also take donations of **toiletries and baby products**.

We recognise that this is a financially difficult time for everyone, however if we could all donate one item, we could help many people.

Let's show our kindness and love to people in our community.

Please take your donations to the school office.

We hope that some of our children will be able to deliver our donations to the food bank before the half term break.

St Mary's Church Harvest Festival service will take place on Sunday 23rd October @ 10.30am
