Dear Parents and Carers,

We hope that you had an enjoyable half term holiday. We had an excellent start to Year 6 last half term. The highlight of which was of course School Journey. We saw some amazing team work, courage and maturity there and this term we will continue working on working together positively and supporting one another.

Here is an overview of the topics that will be covered in the different curriculum areas.

Maths	This term we will be focusing on: fractions, decimals, algebra, measurement, ratio & proportion.
RE	In RE, our topic is: <i>How would Christians advertise Christmas to show what Christmas means today?</i>

Spanish	The children will have Spanish every Tuesday morning.
Homework	<ul style="list-style-type: none"> • Homework will continue to be sent out every Friday and must be returned the following Thursday. Reading records will be expected in every Friday. • Please check to make sure your child's homework is complete and to a good standard. • Your child should also be reading each night for at least 15 minutes. • If your child isn't secure in their timetables then they must be practising them nightly. Each child has a login to TTrockstars that they can use. Please support them in learning these by quizzing them a few times a week.

Please come and see us if you have any questions or concerns.

Many thanks,

Miss Power & Ms. Clark
