

Christmas card competition

Follow the star

The LDBS are on the lookout for budding artists to create the image that will be used on the front of their 2022 electronic Christmas card. They would like children to create an **A4** landscape or portrait image. *The image can be painted, coloured in using felt tips, colour pencils, crayons etc or can even be a collage.*

If you need A4 paper please ask for teacher for a couple of sheets to take home.

Please remember to put the name of the child, year group and the name of the school on the back of the image.

The theme for the card is “follow the star”.

Whether that is the wisemen following or Santa or angels or reindeers is completely up to the artist. Whether they are on camels, sleighs, mopeds, skateboards or roller-skates is also up to the artist.

This is a Art activity to be done at home. Please can your A4 paper original design with details on the back be **given to your class teacher by Friday 2nd December**. The competition is for all age groups and you will be competing with all church schools across London so make it good!

There will also be a prize for the best St Mary’s card. Get creative!
