Notices:

Reading - Please ensure your child reads on a daily basis for 10 – 20 minutes and that you sign your child's reading log every day to say that they have done this. Fluency and accuracy of reading is important, but it is also extremely valuable for you to ask your child questions about what it is they are reading so that they can develop important comprehension skills.

Important: The books that go home for reading on the Wednesday **must** be returned that same Friday. If books are not returned in a timely manner, there may be a charge.
