*"St Mary's... feeding the mind, body and spirit  
so we can be the best we can be."*

21st June 2023

Dear parents and carers,

As a school serving our local community, it is important that we all respect our local residents and shops. Please be reminded of the following:

- Please do not sit on steps and raised flower beds outside entrances or in front of peoples homes
- Please do not leave rubbish in the street or in the raised flower beds which is a private area for residents only
- Please supervise your children carefully at the beginning and end of the school day
- Please be mindful of the noise made at the beginning and end of the day

There may be families with young babies, people that are frail or elderly or night workers that live in the immediate locality that may be disturbed. We have always tried to maintain good relations with our neighbours and am asking for your cooperation with the above.

We will be speaking to the children, however **it would be helpful if you could also talk to your children** about this too.

Thank you for your support and understanding with regards to this matter.

Kind regards

Jane O'Brien  
Head Teacher
